Welcome to the Hemlock Happening 2013

We are thrilled that you are joining us today at the annual Hemlock Happening event, brought to you by Broxtowe Borough Council in conjunction with the Bramcote and Stapleford Golden Jubilee Group. It's amazing to reflect that in 2002 a group of local people got together with the Broxtowe Arts and Events team and decided to organise an event to celebrate the Golden Jubilee. It was only intended as a one-off event, but due to its popularity, here we are over a decade later reflecting on its success. The event now attracts over 12,000 people onto Bramcote Hills Park throughout the day, to enjoy free entertainment, activities and community fun with their friends, families and neighbours. Local people, schools, young people, community groups and organisations are the life-blood of this event as they provide the activities, live music and dance that keep people coming year after year. A sprinkling of professional artists and musicians and a fantastic finale firework display are the finishing touches to this much loved annual event.

On the Field . . .

We are pleased to welcome back many organisations from previous years, plus even more activities for you to get involved in and groups who are new to the event in 2013. Once again we are delighted to welcome back living history group Team Falchion with some thrilling medieval re-enactments and activities. For dogs and their owners there is the Fun Dog Show with competitions and prizes …. We are pleased to welcome Long Eaton Field Archers with their 'have a go' archery activity, and the Love Food Hate Waste roadshow where you can see cookery demonstrations, take part in food tasting, and get some tips on making the most of your food. Don't forget to pay a visit to the Bramcote WI cake stall, and once again the Guides and Scouts will be on the field with craft activities and displays.

Throughout the afternoon, the Maypole Good Time Band will be roving around the field with live music and activities for children, plus many more 'make and take' craft activities and workshops for children and families to have a go at. For those of you who prefer something more sporty there is plenty to choose from: Nottinghamshire County Cricket Club are back again with the ECB Cricket Factory, football activities with Stapleford Villa FC, Stapleford Young People's Centre with Sumo Wrestling suits and activities for under 14s and different types of dance in our dance area.

This is followed by the finale fireworks which draw the event to a close.

Once again the Hemlock Happening is hosting a beer tent, provided for the 6th year by event sponsor Castle Rock Breweries. They will be pulling pints of locally brewed real ale from hand pumps for your tasting pleasure, including the much loved Hemlock Bitter, brewed by Castle Rock especially for the event. They will also provide a range of lager, wines, soft drinks and tea and coffee.
