Dear Sirs

In response to the Independent Examiner's Procedural Letter of 13th July 2023.

With regards to the Green Space and trees behind Penrhyn Crescent west also referred to as Field Close.

As discussed at the meetings held by residents, Council members and members of the Toton and Chilwell Neighbourhood Steering Group the green space should remain as such and all trees behind Penrhyn Crescent West should remain to provide a green corridor from Hobgoblin Wood to Ghost House Lane and Inham Park.

Regards
