

# Caught someone green fingered?

## If you find a cannabis grow contact the CDT Cannabis Dismantling Team

**First point of contact** for any cannabis grow force wide  
Please contact us on airwave, by phone or via the force control room for expert advice on-scene, examining in-situ and also to evidentially dismantle the grow.

**Expert analysis of the scene** in statement form on the day  
Including identification, potential yields and valuations, reducing officer commitment time and allowing you the ability to deal with your offender on the day.

**Expert assistance** in the planning and execution of drug warrants

Contact us via email, airwave or by phone to arrange a planning session for officers and staff.
