

Cannabis factories: not in my neighbourhood

Do you know the impact of someone growing cannabis in your neighbourhood?

It can lead to **fire**, **antisocial behaviour**, **reduced property values**, as well as **burglary** and **violence towards innocent victims**.

What can you do?

Police are working with communities to crackdown on illegal cannabis grows. Stay vigilant, look out for the signs below and report anything unusual.

Strong, sickly smell given off by cannabis plants.

High levels of condensation.

Constantly covered or blocked off windows.

Cannabis growing equipment transported to and from house.

External modifications to the property, like ventilation.

Constant buzz of ventilation.

People loitering.

Strong and constant lighting day and night.

Unsociable coming and going at all hours.

Lots of power cables.
