

Application for prior notification of proposed development in respect of permitted development by electronic communications code operators

NATIONAL REQUIREMENTS

- A completed form or written description of the proposed development
- A plan indicating the proposed location
- The appropriate fee
- Evidence that the developer has given notice of the proposed development in accordance with Schedule 2 Part 16 Class A paragraph A.3 (1) or (2) to the General Permitted Development Order 2015
- Where the proposed development consists of the installation of a mast within three kilometres of the perimeter of an aerodrome evidence that the developer has notified the Civil Aviation Authority, the Secretary of State for Defence or the Aerodrome operator in accordance with Schedule 2 Part 16 Class A paragraph A.3 (3) to the General Permitted Development Order 2015

LOCAL REQUIREMENTS may include some or all of the following:

- Area of search
- Details of alternative sites rejected with a justification for rejecting them: this should include existing masts, structures and other buildings within the search area
- Explanation if no alternatives considered
- Map showing the relationship of the application site to schools and other telecommunications equipment in the vicinity
- Planning Statement/Business Case
- Signed declaration that the equipment and installation fully complies with the ICNIRP requirements
- Statement of community involvement
- Supplementary Information Template (as set out in Annex F of the Code of Best Practice on Mobile Phone Network Development)
- Technical information including the frequency, modulation characteristics, power output and the height of the proposed antenna
- Technical justification — details about the purpose of the site and why the particular development is required
- Visual impact assessment
