

50/2015 Neighbourhood Planning

Members considered a report of the Town Clerk and following discussion it was agreed that the Town Council wished to apply to Broxtowe Borough Council informing that Authority of its intention to undertake a Neighbourhood Plan and that such a plan would take in the entire area enclosed within the Parish Boundary.

It was noted that Broxtowe Borough Council would be organising an information event in the autumn about Neighbourhood Planning and that Councillors would be invited to attend this event.

Further it was hoped that the outcome of the Local Plan investigations and the next stage in this process would be reported at the next Meeting of the Town Council.

Following discussion it was proposed by Councillor Mrs. Williams and seconded by Councillor D Grindell and upon a vote:

RESOLVED:

This Town Council resolves to inform Broxtowe Borough Council of its intention to undertake the preparation of a neighbourhood plan/plans to incorporate the area/areas included within the Parish Boundaries.

Neighbourhood Plan to be prepared by Stapleford Town Council under the statutory regime for neighbourhood planning made under the Localism Act 2011.
