## Housing Modernisations 2015-2016

### April 2003

Bullock Construction were selected as the Council's preferred choice for the 5 year housing modernisations contract.

### April 2008

Bullock Construction were awarded the modernisation contract for the second time after extensive selection processes which included the views of tenant representative groups. This 12 year working partnership finished with Bullock Construction in March 2014.

### September 2014

Bullock merged with a company named United House and together they formed a new company named **United Living**, with the vision of becoming a national market leader in the provision of affordable housing and sustainable solutions.

### April 2015

**United Living** were awarded the 7 year contract from April 2015 - March 2022. United Living will continue to innovate, embracing new and existing partnerships whilst adding value with our service.
