

## **ACTING RETURNING OFFICER'S COMMENTS ON THE DESIGNATION OF POLLING PLACES**

### Existing arrangements

Polling districts are designated as polling places.

- (Acting) Returning Officer's Comments

The polling districts in Broxtowe have previously been designated as the polling places for the borough. This has allowed flexibility to alter the location of a polling station (the actual location where voting takes place within a polling place), if necessary, without the need to seek approval of full Council to a new location. Ward members have been informed of any changes and comments sought after an election on use of the alternative location.

- Returning Officer's Recommendations

1. That specific buildings in which polling stations are located should be designated as polling places.
2. That polling places for the Broxtowe Parliamentary Constituency and the part of the Ashfield Constituency within the Broxtowe Borough area be designated as set out in the appendix.
3. That authority be delegated to the (Acting) Returning Officer to make any changes necessary to polling stations at short notice before an election, with any permanent changes being approved by full Council.
