

FORMAL CONSULTATION

PROPOSED INTRODUCTION OF BROXTOWE BOROUGH COUNCIL (CONSOLIDATED) CIVIL ENFORCEMENT OFF-STREET PARKING PLACES ORDER 2020

Broxtowe Borough Council proposes to consider the introduction of the above Order (“the Proposed Order”) and wish to undertake consultation, as required by the Local Authorities’ Traffic Orders (Procedure) (England and Wales) Regulations 1996 (“the 1996 Regulations”).

The Proposed Order relates to existing off-street parking places provided by the Council at the locations listed in the Notice of Proposal attached to this letter. A Statement of Reasons for the Proposed Order is also attached.

Nottinghamshire County Council applied to the Secretary of State for an Order under Schedule 8 of the Traffic Management Act 2004 designating various areas of the County of Nottinghamshire including the Borough of Broxtowe as civil enforcement areas for parking contraventions. Pursuant to that application, The Civil Enforcement of Parking Contraventions (County of Nottingham) Designation Order 2008 brought civil parking enforcement into force in the relevant areas of the County on 12 May 2008.

Pursuant to the Designation Order, on **13 November 2019** after committee considered objections raised from the initial informal consultation stage, Broxtowe Borough Council Leisure and Health Committee resolved to continue with the introduction the new off-street parking places order, The Broxtowe Borough Council (Consolidated) Off-Street Parking Places Order 2020 as previously advertised with no changes.

The Council with delegated powers resolved to enter into the formal consultation stage and continue with the introduction of a new consolidated parking place order to regulate the parking provisions at the named locations to improve fair use for motorists, maintain consistency, improve vehicular turnover, facilitate electronic payments throughout, maintain compulsory parking charges and permit-holder parking at those parking places listed in the Notice of Proposal and to extend the number of off-street parking places to encompass other land owned/managed by the Council. The Proposed Order will also extend the number and type of parking places available in the Borough of Broxtowe and surrounding areas.

The existing regime of the civil enforcement of parking contraventions will remain in force, but will also apply to parking contraventions related to the above amendments.

The council enclose a copy of the formal Notice of Proposal to make the above Order, together with the Statement of Reasons setting out the reasons why the Council is proposing to make the Order.

In order to give full publicity to the proposals, the Notice of Proposals will be advertised in the Nottingham Evening Post on **18 November 2019** and site notices will be displayed at the relevant parking places. In addition, documents providing

full details of the proposal, including the proposed Order, will be available for inspection at the Council's offices, as indicated in the Notice of Proposals.

The Proposed Order will revoke all previous orders. If you wish to comment on the proposals outlined please complete the online form by 2pm on **16 December 2019**. Due to the large number of organisations involved, the council regret that it may not always be practical to respond individually to your reply. Should you require further information or clarification on any points arising from the proposals please contact Derek Musto, Parking Manager, Broxtowe Borough Council at the above address (telephone 0115 917 3620).

On completion of the consultation process, if the Council decides to proceed with the introduction of the Proposed Order, the Notice of Making will be published locally as required by the 1996 Regulations and a copy of the said Notice will be sent to you.
