CORPORATE PLAN
2020 - 2024
A greener, safer, healthier Broxtowe where everyone prospers
Introduction

Following the election of a new Council in May 2019, we embarked on a Borough-wide conversation with local people, local groups, employees and businesses to find out what people in our area thought it would be important for us to focus on in the next four-year Council term.

As part of this, we tested out some ideas. These ideas were resoundingly endorsed through the responses we received. In addition, we were delighted by the number of practical ideas that were put forward for consideration. More detail about the “Let’s Talk Broxtowe” consultation is included on page 3. We would like to thank everyone who took the time to fill in a survey or come in person to a roadshow event.

What was clear was that local people are passionate about their Borough – and, most importantly, want to get involved in protecting, improving and enhancing the area. For that reason we’ve taken care to feedback to you some of the ways in which we have taken your ideas on board, as well as what you can do to help us achieve our ambitions for Broxtowe.

Our promise to you

Accountability

We believe that we should be accountable for our activities and actions and a comprehensive governance system is in place to ensure that the Council is effectively regulated, conforms to good practice in its decision making and that our residents can challenge us and become engaged in democracy. • A telephone interpreting service for people with disabilities or those who speak other languages.
• Clear written communications which follow our ‘Communications For All Principles’.
• Accessible services.

What we expect from customers
• Our staff to be treated politely and with respect.
• To provide us with the details we need to help resolve your enquiry.

• To consider the use of digital methods with our support.
Developing the plan

We were keen to have a discussion with local people about what they thought was important and what we should focus our efforts and resources on in the coming years.

A total of 527 surveys were completed. Of those, 304 were online and 223 were paper forms completed by people in our Reception or at one of our roadshow events.

These roadshows took place in five different locations in the Borough to engage directly with members of the public.

There were also five employee roadshows and the ideas generated were fed into the process.

Most local people were supportive of our five priorities - Housing, Business Growth, Environment, Health and Community Safety.

- 78% of residents and customers were satisfied or very satisfied with Broxtowe as a place to live.
- 55% of residents and customers were satisfied or very satisfied with the service they receive from the Council.
- 30% of residents and customers were satisfied or very satisfied with how the Council listens to them.

The three ideas which received the most support were:

1. Reduce anti-social behaviour (92%)
2. Support people to live well with dementia and support those who are lonely or have mental health issues (91%)
3. Increase recycling and composting (90%)

The most preferred way to save money was to generate income from commercial activity. The least preferred way was providing fewer Council services.

**Our achievements**

Here are some of the things we have achieved during our last Corporate Plan 2016-2020

**Corporate Plan 2020 - 2024**
Challenges

These are some of the challenges we need to address. This sets some context for the choices which we need to make about where effort should be focused in the next four years.

Housing

- There is a backlog of house building delivery which is required to meet the identified housing need in Broxtowe over the next 28 years.
- There are over 1,990 people on our housing waiting list and on average it takes six months for a family in Band 1 (top priority) housing need to be housed in a Council property.

Environment

- We have committed to the task of reducing the Borough’s carbon emissions to net zero by 2027.
- Our recycling and composting levels are 39%, which is in the third quartile of performance.

Community Safety

- Violence is a concern in Broxtowe, particularly knife crime and domestic violence. Encouragingly, knife crime in Nottinghamshire is beginning to decrease 8.7% in the 12 months to the end of September 2019, but we need to put continuing emphasis on partnership action to achieve better outcomes.
- Anti-social behaviour includes noise, litter, dog fouling, vandalism and criminal damage, drug taking, verbal abuse and intimidation and effects quality of life.

Business Growth

- Town centres are changing fast. Three of our town centres have occupancy rates below the national average (89.7%). These are Stapleford (87.3%), Eastwood (87.5%) and Kimberley (89.2%).
- Broxtowe is a social mobility "cold spot", ranking 284 out of 324 districts. Social mobility is defined by the educational achievement of those from the poorest backgrounds and outcomes for adults including average income, availability of professional jobs and affordable housing.

Health

- Child poverty rates in Broxtowe vary considerably, but they are worst in Eastwood St Mary’s where they are as much as 34% for children under 16.
- According to the Sport England "Active Lives" survey Broxtowe has high levels of adults who are physically active at 70.5% compared with a national figure of 63.2%). There are also relatively low levels of people who take less than 30 mins of exercise a week (18.4%) compared with a national figure of 24.8%. However, if as a Borough we want to stay at the forefront of supporting people to keep active and independent, we must aim to continually improve activity rates, particularly in groups which are less likely to be included.

Challenges We Face

Funding

The Council has seen a £2.1 million reduction in the funding it receives from Government and no longer receives a revenue support grant. There is a funding gap of around £1.1 million funding for 2020/21.
Our vision

A greener, safer, healthier Broxtowe where everyone prospers

Our Values

Having a set of values determines how people in the organisation behave towards our residents, customers, business and towards each other.

Our employees are at the heart of the Council, living out our GREAT values and doing fantastic work every day to help us achieve this vision.

Priorities and Objectives

Incorporating “Let’s Talk Broxtowe” consultation responses, we have decided that our priorities for the next four years will be:

- **Housing**
  A good quality home for everyone

- **Environment**
  Protect the environment for the future

- **Business Growth**
  Invest in our towns and our people

- **Community Safety**
  A safe place for everyone

What you can do to help

**Housing**
- If you’re living in a house that’s too big for your needs think about renting out some room to someone who needs housing.
- If you’re a tenant, get involved in activities like estate walkabouts and resident involvement groups to help us improve the service for you and your neighbours.
- If you’re a developer to whom we’ve granted planning permission for housing, get on and deliver much needed housing for the community.

**Business**
- Support your local town centre by using the shops and facilities there.
- Keep learning! The higher skilled you are the better your chance of securing higher paid work.
- If you’re a local business, provide opportunities for apprenticeship positions, training and work experience.

**Health**
- Take steps to promote your own health and wellbeing.
- Be social. A healthy community is one where people volunteer and there are thriving local groups and societies in Broxtowe you can join.
- Be active. Get out and about and enjoy the good quality environment we have in our Borough.

**Environment**
- Reduce your use of plastic and use public transport where possible.
- Recycle as much as you can and put the right items in your recycling bin to avoid contamination of recyclable materials.
- Grow your own food, plant a tree or create a pond in your garden to encourage wildlife.

**Community safety**
- Don’t be a bystander – if you see criminal activity report it to the Police, if you would prefer to report a crime anonymously contact Crimestoppers.
- Get to know your neighbours and look out for them, especially if they are elderly or vulnerable.
- Don’t mess with Broxtowe – clean up after your dog and don’t drop litter.
