

Standard Monitoring Form

The council is required to make sure that there is complete equality of access to all of the services available to the residents of the borough and to treat everyone equally, fairly and with respect.

To ensure that the Right to Buy service is meeting the needs of all residents it's important that we ask a few questions about your own circumstances so that we can be confident we are giving an opportunity to anyone who wishes to make a claim for the Right to Buy.

This form includes questions that are normal monitoring categories and it will help us to identify whether any unfairness exists with the way we conduct our business. You don't have to fill the form in and it won't affect any claim you may make. If you do complete the form, any information provided will remain confidential to the council.
