

## **Greasley Parish Council – Proposed Boundary Revision – Alternative**

Pick up the existing boundary along the Brinsley Brook alignment

Follow this downstream to the confluence with the Beauvale Brook

Turn left and follow the Beauvale Brook alignment upstream to a point in line with the centre of Mill Road

Follow up the centre of Mill Road to the junction with Dovecote Road

Turn right onto Dovecote Road and follow the centreline until the junction with Charles Avenue

Turn left onto Charles Avenue and follow the centreline down to the junction with Wheeler Avenue. At this point thread the border line through to Nottingham Road leaving all the houses on Wheeler Avenue in Greasley and those on the western side of Charles Avenue in Eastwood.

Cross Nottingham Road and follow the centreline of Newthorpe Common until the junction with Chewton Street.

Turn left along the centreline of Chewton Street followed by the centreline of Main Street and Newmanleys Road to the junction with the A610.

Turn left along the A610 to meet up with the alignment as proposed by BBC.
