

**(ACTING) RETURNING OFFICER'S COMMENTS IN RESPECT OF POLLING STATIONS
BROXTOWE PARLIAMENTARY CONSTITUENCY**

Attenborough & Chilwell East

Current arrangements

Polling District/Polling Station Electorate as at 01.07.22	Polling Place	Disabled Access	Within polling district

ACE3 (1,714 electors)	Masonic Hall, High Road, Chilwell	Yes	Yes
ACE4 (1,078 electors)	Grove Court, Central Avenue, Chilwell	Yes	Yes

• *Comments*

1. *The Masonic Hall was used as the polling place for ACE4 for the elections on 6 May 2021 as Grove Court was unavailable due to covid restrictions. It is recommended that, although the Masonic Hall is outside the polling district, the building is approved as the polling place for ACE4 on a permanent basis.*
2. *No other changes are recommended.*

Awsorth, Cossall & Trowell

Current arrangements

Polling District/Polling Station Electorate as at 01.07.22	Polling Place	Disabled Access	Within polling district
ACT1 (1,443 electors)	Awsorth Village Hall, 60 The Lane, Awsorth	Yes	Yes
ACT2 (186 electors)	Trinity Farm Shop, Awsorth Lane, Cossall	Yes	Yes
ACT3 (158 electors)	Cossall Community Hall, Old School Room, Church Lane, Cossall	Yes	Yes
ACT4 (714 electors)	Trowell Parish Hall, Trowell	Yes	Yes
ACT5 (767 electors)	Temporary Station, Salcey Drive/Trowell Park Drive, Trowell	Ramp provided – not ideal if becomes wet	Yes

- *Comments*

1. *The access to and the parking facilities at Cossall Community Hall are not ideal. Given that there are only 218 electors allocated to this polling place, this polling place could be merged with the polling place for ACT2.*
2. *Temporary polling stations are not ideal as they may not be accessible to elderly voters or voters with disabilities without ramps which, in wet weather, can become slippery and make access difficult. The (Acting) Returning Officer, however, is not aware of any other alternative venues within this ward suitable to use as a polling station. Any suggestions as to a suitable venue in this area would be welcomed.*

- *Comments*

1. *Temporary polling stations are not ideal as they may not be accessible to elderly voters or voters with disabilities without ramps which, in wet weather, can become slippery and make access difficult. The (Acting) Returning Officer, however, is not aware of any other alternative venues within this ward suitable to use as a polling station to replace the temporary unit at Carwood Road. Any suggestions as to a suitable venue in this area would be welcomed.*
2. *No change to current arrangements, unless an alternative location can be identified to replace the temporary station.*

- *Comments*

1. *There have been some issues with the Function Room, Boat & Horses but no suitable alternative polling place has been identified for immediate designation. Discussions are continuing regarding use of the football pavilion at Trent Vale Road for future elections. If this building becomes available, a report will be submitted to Council to designate the pavilion as the polling place for BER2.*

- *Comments*

1. *The polling place for BEW4 was changed to Beeston Methodist Church for the elections on 6 May 2021 to ensure that there was sufficient space for social distancing by reducing the number of polling stations at Our Lady of the Assumption Church Hall, Foster Avenue to two. The Methodist Church worked well and is closer to the BEW4 polling district. It is recommended that Beeston Methodist Church is designated as the polling place for BEW4 on a permanent basis.*
2. *No other changes are recommended.*

Kimberley

Current arrangements

Polling District/Polling Station Electorate as at 01.07.22	Polling Station	Disabled Access	Within polling district

KIM2 (103 electors) KIM3 (220 electors) KIM4 (706 electors)	Kimberley Parish Hall, Newdigate Street, Kimberley	Yes	No – KIM2 electors No – KIM3 electors Yes – KIM4 electors
KIM5 (1,294 electors)	Hollywell School, Hardy Street, Kimberley	Yes	Yes
KIM6 (844 electors)	Holy Trinity Church Hall, Church Hill, Kimberley	Yes	No

- **Comments**

1. *Temporary stations were needed for KIM1 for the elections on 6 May 2021 as Kimberley Primary School, Swingate was not available. These were located in Sainsbury's car park. It is unlikely that the school will be available again. Unless an alternative location can be identified, the temporary stations will need to be designated as the polling place for future elections.*
2. *Kettlebrook Lodge was used as the temporary polling place for KIM5 on 6 May 2021 as Hollywell School, Hardy Street was not available. It is unlikely that the school will be available again. Although Kettlebrook Lodge is in the KIM1 polling district, it worked well as the KIM5 polling place. It is recommended that Kettlebrook Lodge be designated as the polling place for KIM5 on a permanent basis.*
3. *There are some concerns about the access to Holy Trinity Church Hall from the car park. Whilst there is a ramp, the path to access this is quite narrow. Kettlebrook Lodge has a number of rooms and could be used as polling place for KIM6 as well as KIM5. It is recommended that Kettlebrook Lodge is designated as the polling place for KIM6 on a permanent basis.*
4. *No change to current arrangements for KIM2, KIM3 and KIM4.*

NES3 (292 electors)	Strelley Hall, Main Street, Strelley	Yes	Yes
NES4 (329 electors)	Nuthall Temple Centre, Nottingham Road, Nuthall	Yes	Yes

- *Comments*

1. *Although there has been a change of ownership of Old Moor Lodge and development of the site, there is a space available in the now Hickory's Smokehouse which will be suitable for use as a polling station. It is therefore recommended that Hickory's Smokehouse be designated as the polling place for NES2.*
2. *No other changes recommended.*

TCM4 (1,323 electors)	Temporary Station, Lidl Car Park, Chilwell	Ramp provided – not ideal if becomes wet	Yes

- *Comments*

1. *Coronation Hall was used as the temporary polling place for the elections on 6 May 2021 as Lombardy Lodge was unavailable due to covid restrictions. There have been some concerns for a number of years from residents in any event about the public accessing the building to vote. Coronation Hall worked well, and it is recommended that it be designated as the polling place for TCM1.*
2. *Temporary polling stations are not ideal as they may not be accessible to elderly voters or voters with disabilities without ramps which, in wet weather, can become slippery and make access difficult. The (Acting) Returning Officer approved use of The Corn Mill for the elections on 6 May 2021 which worked well. It is therefore recommended that the Corn Mill be designated as the polling place for TCM4.*
3. *No change recommended for TCM2 and TCM3.*
