

WHAT WE ARE GOING TO DO ABOUT WHAT YOU HAVE SAID?

WE'RE HAVING A MORNING OF ACTION IN YOUR AREA

GREAT HOGGETT DRIVE AND OAK ACRES

Tuesday 23rd August 2022, 9:30 am - 11:30 am

Focus on litter picking and bulky waste disposal. Discuss neighbourhood concerns with the Neighbourhoods Team.

Future actions being planned are:

We will be cutting back high hedges on boundaries and walkways over the coming months. We will also be exploring a long term maintenance programme to ensure that issues do not reoccur.

We will be helping you clear your garden. Your Neighbourhood Coordinator will help in identifying the works required.

We have noticed some areas of grounds that we should be looking after have not been looked after, we will be addressing this.

We will review Council owned land to see if any additional parking can be created that is off street.

We will be offering a bespoke service for you to contact us about Anti-Social Behaviour problems and concerns.

We will be carrying out regular inspections of the area, every Tuesday afternoon in September, please look out for officers, who will be on hand to offer advice.

You can see a more detailed summary of comments received from residents and some of the responses from the Council by scanning this QR code.

Please keep your eye on Social Media or sign up to Housing News for updates,

HEAR From You Survey

Broxtowe
Borough
COUNCIL

Thank you to all those residents in the Chilwell area that either spoke to Council employees or completed the online survey about your neighbourhood over recent weeks. The Council received 55 completed surveys from you and your neighbours.

WE ASKED YOU

What your top three concerns are and what issues are affecting your neighbourhood

YOU TOLD US

Your top three are:

Rubbish and
fly tipping

Anti-social
behaviour

Vehicle related
issues

WE ASKED YOU

For your ideas for improving your neighbourhood

YOU TOLD US

The **Word Cloud** shows a summary of the comments received, the larger the word, the more people mentioned it.

Rubbish, litter and fly tipping

Gardens and overgrown hedges

Council should manage area better

Repairs issues

Anti-social behaviour
