BROXTOWE PARISHES ARE YOUR DUCKS IN A ROW?

START ACTION YOURSELF NOW!

Are you all singing from the same hymn sheet?

- Does your community have a cohesive and proactive team of local volunteers?
- Do key organisations in your village talk to each other?
- Does your community building meet the needs of residents?
- Do you host a regular calendar of events?

Not to fear, **RCAN** is here, to help you put some **UNITY**, back into your **Community!**

We are looking for 10 community organisations in Broxtowe, to work with between April 2024 and March 2025. We want to help inspire, ignite and sustain some passion for social action in your community.

Perhaps your community facility needs help getting back on track and you want to improve its energy efficiency and sustainability for the future? Maybe you don't have a social hub and want to create one? Whatever your situation, **RCAN** is here to help turn your ideas into reality.

We want to help you create social hubs, that will provide opportunities for residents, businesses, community groups and all users, to work together for the good of their local area.
